

Dear Georgia Triumph Association Members,

As fellow automotive enthusiasts, we recognize the significant contribution that groups like the Georgia Triumph Association make preserving our automotive heritage. It is because of your passion that events like the Atlanta Concours d'Elegance continue to gain national and worldwide significance. We would like to formally invite members of your club to participate in our show this year.

The Atlanta Concours d'Elegance blazes a new trail in 2019 as it relocates to Tyler Perry Studios in downtown Atlanta. Set for October 19-20, the show blends the historic atmosphere of our new location with the vibrant community of Atlanta, all while showcasing vintage and modern-day vehicles from some of the rarest collections to be found nationwide.

The Sunday competition is open to vehicles of Concours quality and was manufactured prior to 1968. We do make exceptions for extremely rare cars. Upon submission, our Selection Committee will promptly review your application(s) and contact you regarding your status.

The Saturday Invitational event will feature cars selected by the producers of the popular NBC Sports Network 'Caffeine and Octane' show; and cars selected by the producers of The Atlanta Concours. These chosen automobiles will be displayed on the show field and compete in the Magnificent Seven competition on Sunday in two classes (General and Preservation).

Interested Entrants can register their car(s) at: <https://atlantaconcours.org/2019-automobile-entrant-application/>

For those club members electing not to show their car, but want to attend, an April early bird ticket special is now available. Weekend Adult General Admission tickets in April will be \$55.00. April purchases represent a discount of over 40%!

Thank you for your time and consideration and we hope your club can be part of this historic event!

Sincerely,

Brian Skuza
